# DEDICATION

Your kindness, your devotion, your generosity to, and your interest in youth have prompted us to dedicate the 1951 THOROUGHbred to you, Monsignor Delaney.

Newport Catholic--faculty and students--has ever regarded you as a true friend and we are deeply grateful to you. You have followed our interests with a sympathetic understanding from the opening of our institution in 1931. You have played the gracious host to us at our commencements, at our summer festivals, and at other various assemblies. You have taken some of us on memorable trips. Always you have shown a Christlike leadership in your unfailing invitation to "Let the little ones come unto Me..." You have professed and proved yourself the Friend of the Young. Newport Catholic High School--past and present--through the Class of 1951, voices its esteem for and its gratitude to you, Monsignor Delaney, in this dedication of its annual.

Pastor, Saint Stephen Church  
Newport, Kentucky

# FOLLOW THE

THEME: Probably all of us at Newport Catholic have at some time played the good old game of follow the leader. No matter what the leader's antics might have been, hazardous or ridiculous, we followed, faithfully reproducing in our own acts those of our leader.

In a way we continue that game through life; we follow a leader. That one Leader, that Ideal, Whose

Although Father Hering and Father Beiting are no longer with the regular faculty at N. C., they will always be remembered and revered by the students. Father Hering withdrew from the faculty when his activities as Assistant Pastor of Saint Stephen Church, Newport, Kentucky, became overwhelming and Father Beiting left the faculty to become the first pastor of Saint Clare Church, Berea, Kentucky.

REVEREND RALPH W. BEITING,  
A. B., S. T. L.

Neither of these zealous priests, however, has served his connections with N. C., for Father Hering frequently substitutes as teacher and the fine impetus that Father Beiting gave to the "Thoroughbred News" in the first months of the 1950-51 school year has lasting effects.

# SENIORS, FOLLOW YOUR LEADER, CHRIST. . .

NEWPORT CATHOLIC HIGH SCHOOL  
NEWPORT, KENTUCKY

My dear Seniors:

Surely the theme of this year's THOROUGHBRED recalls days of a few years ago when your big pastime was playing games with the fellows in your neighborhood. One game which you must have played was follow the leader. I am sure that you can remember how you tried to out-do one another by following the leader as closely as possible in your great deeds of daring, jumping across a wide ditch, catapulting down a steep slope, or walking on top of a high board fence. These days are past; all that remains is the memory.

Another phase in your life, your high school days, is about to end. For the last four years you have been learning the rules of a new game, the game of life. During this time you have had the help and guidance of your Parents and Teachers. They have given you the best in them to prepare you for life. This game of life is nothing else than another game of follow the leader. This time, however, the Leader is no human being; it is Christ. The closer you stay to Him, the better are your chances of getting past the dangers and pitfalls of life. As a boy your big boast was that you would do everything as well as the leader. Now as you enter manhood, may you ever strive to imitate the Leader of us all. . . . Christ.

We want to congratulate you on your coming graduation. Your Parents and Teachers have made untold sacrifices for you. This debt you can fully repay, but you can repay this debt in part by living as Catholic gentlemen.

Follow the Leader, Boys, and pass on to the next generation the blessings of a Catholic education. In this way your life will be a success because you will fulfill the purpose of your existence and the purpose of Catholic education namely, the salvation of your soul.

Sincerely yours,  
Reverend John V. Hegenauer  
Principal

JOHN "Jack" FINLEY

Although "Jack" Finley spent only one year at Newport Catholic, he, with his fascinating smile beneath a crop of dashing red hair, had endeared himself to faculty and students. On August 11, 1950, just a few days after his motor scooter accident, "Jack" left us for his eternal Home.

Requiescat in pace.

# THE LEADER'S IDEALS WERE HIS

"I shall never forget what Newport Catholic taught me. I am a good Catholic and always will be."  
(The Gentleman and Student)

GENTLEMAN - STUDENT - ATHLETE  
October 17, 1919 - November 9, 1943

Walter McGaff, a genuine gentleman, student, and athlete, was graduated from Newport Catholic in 1937. Six years later Corporal McGaff of the 751st. Tank Battalion, 1st. Armored Division, was killed in action in the vicinity of Mignano, Italy.

In memory of their son and brother, the McGaff Family has established at Newport Catholic the WALTER McGAFF MEMORIAL TROPHY. This award is given the senior who, on the decision of the faculty, is outstanding in gentlemanliness, studies, and athletics.

Walter, a true Thoroughbred, never forgot Newport Catholic nor did his interest in its future ever lag, as is evidenced by the excerpts from his letters which appear on this page. These were addressed to Reverend Leo G. Kampsen, one of his former teachers and friends at Newport Catholic.

"Tell the gang hello, and when we get to Rome I am going to ask the Pope why we cannot have athletics." (The Athlete)

THE WALTER McGAFF MEMORIAL TROPHY displayed by Charles Brewer is a much-coveted award at N.C.

The winners of the WALTER McGAFF MEMORIAL awards are recorded on the plaque shown by Leonard Quinn; this plaque remains at Newport Catholic. These names are inscribed: Richard Nassano, 1948; John Riedinger, 1949; Robert Longshore, 1950.

"If I get to see the Pope I am surely going to carry out my threat."  
(about athletics). (Walter did not reach Rome.)

# ACKNOWLEDGMENTS

We dedicate this page, as a token of appreciation, to everyone who helped make this annual a success.

First we humbly thank Our Lady of the Assumption, under whose special patronage we have placed our work. We are also very grateful to Reverend John V. Hegenauer, our principal and faculty advisor, for his deep interest, his time, and his advice; to Sister Marie Suzanne for her help in the layout work; and to the other members of the faculty for their cooperation in having pictures taken.

We are indebted also to our school organizations, to our patrons, and to our many advertisers who showed their interest by contributing to our annual and we hope that they accept our sincere thanks for their help.

NEWPORT, KENTUCKY

## SUCCESS STORY-AMERICAN STYLE

Just seventy-five years ago the first spoken message was carried over a few feet of wire connecting two crude telephones. In the United States today, 173 million conversations daily speed over 152 million miles of wire connecting 43 million telephones.

First regarded as a mere toy, the telephone in the U. S. today is an 11 billion dollar business, owned by almost a million stockholders and provides jobs for three-quarters of a million persons.

The industry is big because America is big and requires a huge communications system to keep the wheels of commerce and society generally running smoothly and swiftly-yet its cost is low, within the reach of most families.

This is just a typical American success story, possible only under our system of free enterprise which permits free men and women to exercise individual initiative.
